If travelling from the London/Reading directions, you will need to cross the footbridge over the tracks to the main ticket office. Turn right out of Newbury Station and walk up the incline, following the road round to the left.

Keep straight on along Cheap Street, passing Market Street on your left and Bear Lane on your right until you reach Market Place. (Keeping the Newbury Corn exchange on your right)

At the top left of Market Place, bear round to the left to take you to Bridge Street. (Lloyds bank is in front of you)

Turn right and cross the bridge over the canal

A short distance further on the right hand side you will come to an alley with a sign for ESRI (UK). (Just before Boots)
